Genie Forklift

Genie is a universally recognized corporation that enjoys the spirit of alliance with their sizable network of allied customers. Genie Industries prides itself on the intention of bringing materials and people higher and extending beyond the products they produce. Genie Industries strives to help clientele erect their business no matter how large or small the scale of undertaking may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, transportable materials lift initiated the opening of Genie Industries. A succession of aerial work platforms and additional materials lift trucks followed to meet consumer demand. These progressive products secured international recognition and established state-of-the-art product design.

At this time, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to fabricate and maintain foremost quality manufacturing and uncompromising level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the distinctive blue coloured materials forklifts on the jobsite, the business is securely planted in their exceptional customer principles and service. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are individually dedicated to offering expertise and maintaining customer rapport.

The trustworthy team is committed to greener, more environmentally sensible possibilities to advance the goods that customers want. Genie Industries focuses on "lean production" practices in order to help minimize waste while making very high quality lift trucks in the shortest time period at the lowest possible expense for the consumer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they produce. Always welcoming consumer contribution enables them to manufacture and develop innovative new products that are effortless to service and handle, provide optimum value-for-cost and meet international standards. Thriving on client feedback enables Genie Industries to continually evolve and satisfy the consumers' needs.

Genie's service specialists are eagerly available to provide solutions to the queries you may have in order to keep you fully operational. Their extensive parts network will promptly ship components to ensure their customers' machines are running efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They manufacture and service their products to maximize efficiency and uptime on the job. Delivering on-going instruction opportunities, to marketing support to adaptable financing solutions, Genie Industries gives their customers the resources to get the most out of their purchase.
