Nissan Forklift

Nissan prides itself on reaching total client fulfillment when their client is enjoying one of their numerous trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with resilient manufacturing principals, Nissan Forklifts supply a few of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four independent manufacturing facilities that permit them to constantly adapt to their customers continually evolving wishes by providing a range of modern ideas and concepts.

The Nissan Forklift North and South American center is located in Marengo, Illinois. A devoted team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to sustain environmental accountability by using techniques that reduce the global influence of their products and processes. These high values remind customers that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally responsive organization.

Nissan is confident that they will be capable of addressing any client queries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
